### Madison Bedroom

Inspired by the mid-century modern era, the Madison bedroom is carefully crafted in solid american walnut. The collection's drawer pulls are skillfully set back and accented with genuine brass to provide the ideal compliment to the richly grained surface. The bed headboard, upholstered in a rich, driftwood colored fabric is also accented with subtle brass detail. The Madison bedroom was created for the true furniture enthusiast, that appreciates the use of the finest materials, quality craftsmanship and intelligent design.
