

Monterey

The beauty of natural elm became updated and refined, when Brownstone created the Monterey dining table. The table's top sits above a striking stainless base, a streamlined style that is both natural and comfortable. Sold as a square table, Monterey can be used in a breakfast nook, or can be combined as a pair, to make the ideal rectangular table in a dining room.

BROWNSTONE

The Monterey table can be used as a pair to make a rectangular table, but is sold by the square.
