**German Silver Bench**  
 SKU # TR-012 48w x 19d x 19h  
 Upholstered in putty velvet fabric

**Treviso**

German silver, widely used by the 19<sup>th</sup> century Plains Indians for jewelry, is a striking material that we have carefully chosen for our Treviso items. All surfaces are fully covered by this historical silver substitute that is artfully applied by petite finishing nails. The result are rich, yet unique accent pieces that make for a collector's dream.

**Materials:** German Silver

**Made in:** India
